
BRANDLE OS – ONE-PASTE REBUILD PROMPT

“If access is lost, rebuild becomes the cleanest truth.”

PART XXXIII – PURPOSE

- › This is a single Lovable prompt that rebuilds the full platform in one run.
- › Use it only after signing into Lovable with the account you want to OWN it.

PART XXXIV – HOW TO USE

- ☐ 1) Open Lovable while logged in as your desired owner email
 - ☐ 2) Create New Project
- ☐ 3) Paste the full contents of the prompt file into Lovable
 - ☐ 4) Generate + Build

PART XXXV – PROMPT FILE

..... BRANDLE_OS_Lovable_OnePaste_RebuildPrompt_v2.2.txt

benediction: the platform is portable because the canon is text.
